Custom (any colour)

- Name _____ Paint code _____

£3,750

We are happy to paint your Caterham® in any major motor manufacturers colour so long as you are able to provide a paint code to ensure we get the correct colour. Please be aware that certain colours require specific materials and processes to produce which may increase the build time and cost of this option. Some colours can be difficult to repair so may not be recommended.

Please be aware that due to the nature of the bare aluminium it will attract marks very easily which cannot be repaired, these may be present at point of delivery due to the build process which is unfortunately unavoidable. Please speak to a member of our sales team should you require more information

ADDITIONAL COMMENTS

IMPORTANT NOTE

It is a condition of entry to the Academy that the driver must not have held a 'Race' or 'Kart' competition licence before. By signing below you acknowledge this notice. All entrants must have a UK address and a UK doctor.
